The author describes, in her aunt's words the turbulent and often traumatic past of a woman who struggled to overcome her past and traditions; and establish her own identity as a scholarly, bilingual achiever. Sariah grew up in the early 1900s on the Navajo Reservation. As an uneducated, non-English-speaking young girl, her life was largely influenced and dominated by the ancient teachings and practices of her culture, until she was abruptly introduced to a very different and ominous evil that held her captive for many years. Cornered and driven to desperation, she cried out and sought deliverance from death and despair. In her hour of distress, Sariah discovered there is a far greater power that can overcome the grip of evil. From childhood through her twilight years, Sariah encountered many shattered dreams and heartaches. But in all her tribulations, she stubbornly clung to the belief that whatever circumstances she faced, the divine higher power who delivered her and sealed her future is also faithful and true. This hope and assurance gave her true freedom to rise above adversity and become a woman of God.

In this volume is a translation of a collection of hymns of Christ, composed by Ephrem the Syrian (c. 306-373), the most famous and prolific of the Fathers of the Syriac-speaking Church.

Eloquent and original, this album of stanzas and verses shimmers and resonates with soulful, poetic song. Sorrow and tears ripple through the heart of the lyrics, yet the buoyancy of beauty, solace and peace, contemplative hope, pleasure, joy, and keen insight glisten like brilliant stars against a dark-filled sky. The fabric of the poems is emotionally exuberant as well as thoughtfully creative and imaginative.

Hope for a Widow's Shattered World is a gathering place for women caught in the gut-wrenching aftermath of a husband's death. Wisdom and hope are laced together by the courage and stunning insights of many widows who have moved beyond the paralyzing early moments of grief to find the rebirth of joy, and finally a deeply satisfying life of contentment. A poignant, hope-instilling truth emerges from the life experiences of these women: Widowhood is unique from all other losses, demanding the re-invention of Self. This book is a detailed guide, full of practical illustrations, helping women understand the dynamics of widowhood as an aid to their passage through and beyond grief. The journey is often long and hard, but women are promised a new and courageous, hope-filled, faith-based life, which can be built out of the ashes of grief. Hope for a Widow's Shattered World begins with a declaration of a widow's pain, and moves past honest struggle to a final litany of her new-found strength, firmly grounded in God's love and grace. This book could also help widowers in their

grief.

The Sunday Times Number One Bestseller 'A compelling read' - Financial Times 'A sporadically absorbing, pleasingly vengeful and often darkly funny account of one woman's bid for presidential history.' Sunday Times 'Her new book is more gossipy, it is meaner, more entertaining and more wrong-headed than anything she or her speechwriters have written before.' Observer 'What Happened is highly entertaining. It is spirited, well-written and informative.' Guardian 'In the past, for reasons I try to explain, I've often felt I had to be careful in public, like I was up on a wire without a net. Now I'm letting my guard down.' - Hillary Rodham Clinton, from the introduction of *What Happened* For the first time, Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history. Now free from the constraints of running, Hillary takes you inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage, sexism, exhilarating highs and infuriating lows, stranger-than-fiction twists, Russian interference and an opponent who broke all the rules. This is her most personal memoir yet. In these pages, she describes what it was like to run against Donald Trump, the mistakes she made, how she has coped with a shocking and devastating loss, and how she found the strength to pick herself back up afterwards. With humour and candour, she tells readers what it took to get back on her feet - the rituals, relationships and reading that got her through, and what the experience has taught her about life. She speaks about the challenges of being a strong woman in the public eye, the criticism over her voice, age and appearance, and the double standard confronting women in politics. She lays out how the 2016 election was marked by an unprecedented assault on democracy by a foreign adversary. By analysing the evidence and connecting the dots, Hillary shows just how dangerous the forces are that shaped the outcome, and why Americans need to understand them to protect their values and democracy in the future. The election of 2016 was unprecedented and historic. *What Happened* is the story of that campaign and its aftermath - both a deeply intimate account and a cautionary tale.

Considering the growing interest in South African Literature at the moment, this study looks at both the Anglophone literature of South Africa and the lusophone literature of Angola and Mozambique. Stefan Helgesson suggests that the prevalence of 'colonial' languages such as English and Portuguese in 'anticolonial' or 'postcolonial' African Literature is primarily an effect of the print network. Helgesson aims to demystify the authority of English and Portuguese by stressing the materiality of the print medium and emphasising the strong transnational and transcontinental vectors of southern African literature after the

Second World War.

"I just want you to know that God can change absolutely anything." It was a simple statement, but it changed her life. In this stunningly transparent memoir, Nanette Larson shares her journey from a life of constant hopelessness and despair, deep depression, crippling anxiety, and suicidality to one full of victorious hope and purpose. After years of receiving unsuccessful treatments--therapy, medication, hospitalization, and more--for her mental and physical illnesses, Nanette finally found wholeness in the person of Jesus Christ. Realizing that she had allowed the labels that had been pasted upon her by medical professionals and society alike to define who she was, Nanette changed her perspective by seeing herself through the eyes of her Maker. She was not "sick in the head"; she had an illness, and God was healing her. Taking control of her thoughts was only the first step of a winding road to wellness, however. As a mental health professional herself, Nanette now shares with her readers the techniques that helped her address every part of her being--spirit, soul, and body. From distressed patient to nationally recognized deputy director and ambassador of Wellness & Recovery Services for the Illinois Division of Mental Health, Nanette is living proof that full recovery from mental health issues is, indeed, possible, and a successful, happy, healthy life can be found on the other side of the struggle. "More than a memoir, From Shattered to Restored is both manual and miracle. For anyone struggling with mental illness, Larson offers hope and solid help, wrapped in her own vulnerable story. An excellent tool for churches, small groups, and recovery support groups." --Jane Rubietta, Speaker, coach, and author of twenty books, including *Worry Less So You Can Live More*

*Restored by Grace* ([www.restoredbygrace.life](http://www.restoredbygrace.life)) is a short intellectual journey to answer two very important questions: What is the Good News? Are there good reasons to believe? The journey comprises seven sessions of dialogue between two characters, Sitara and Nathan. 1. 'Hope, Certainty, and Purpose' is the beginning session of discussions on pain and suffering in life. 2. In 'Mental Tango,' the discussions continue on to truth and its relation to faith. The session includes empirical evidence for a reality beyond the physical, and a mind separate from the brain. 3. 'Primary Text' is a discourse on the reliability of the Gospels as ancient primary sources of historical facts in their eyewitness accounts. 4. 'The Historical Jesus' session focuses on Jesus as a historical person, and things about him, by considering both non-Christian historical writings and biblical narratives. 5. 'Beginnings' is a session of discussions covering various perspectives on origins, and implications of some essential and relevant facts from the book of Genesis. 6. 'Restored by Grace' centers around the crucifixion of Jesus and its meanings. 7. The journey ends with 'Regeneration,' which is about various essential aspects of Christian growth.

This is the 11th year for a thematic Lenten study offering. This study will include 7 sessions, one for each Sunday in Lent, including Easter Sunday. Each session features a scripture reference, a personal reading and questions for personal reflection or group discussion; suggestions for ways to deepen the Lenten journey or a focus for the coming week may also be included. This particular study is based on Philippians 2:1-11 ("Let the same mind be in you that was in Christ Jesus..."). The goal is to discover what it might look like for us, in very practical ways, to live with the mind of Christ.

Drawing on scriptural teaching, heart-to-heart storytelling and inspiring quotes, Dutch Sheets shows what God wants to reveal to us during difficult times.

How do we hold on to hope when problems mount and feelings numb? Uninvited, invaders march into our lives--challenges, disappointments, loss. At times, these invaders creep in softly; often they blatantly barge in. Either way, the thieves break through our protective doors and wreak havoc. As we struggle to survive the onslaught, hope fades and we wonder if we will ever hope again. This is where author Barbara Higby found herself when her daughter suddenly died. Previous losses had tutored her in how to renew hope--a failed adoption process, the death of newborn twins, the challenges of a disabled son, the collapse of her calling--but her daughter's death plunged her to new a depth of hopelessness. Barbara's story of bringing life to her shattered hope will encourage others who are disheartened by loss. *I Was Broken, Too* offers four paths to restore hope in the battle-weary. H--Hold your Eyes Higher O--Open your Heart to God's Opportunities P--Ponder the Positive, not the Problems E--Expect Grace *I Was Broken, Too* was written for you, the broken, disillusioned, and wounded. If loss of any kind has assaulted your hope, follow the paths that revived Barbara's--they are achievable, and hope is possible. You will discover that what God has done for her, He will do for you.

*consider. Recent years have seen a surge of Christian books written by people claiming to have received a glimpse of the afterlife, and numerous books, films, and TV shows have apocalyptic or postapocalyptic themes. Jerry Walls, a dynamic writer and expert on the afterlife, distills his academic writing on heaven, hell, and purgatory to offer clear biblical, theological, and philosophical grounding for thinking about these issues. He provides an ecumenical account of purgatory that is compatible with Protestant theology and defends the doctrine of eternal hell. Walls shows that the Christian vision of the afterlife illumines the deepest and most important issues of our lives, changing the way we think about happiness, personal identity, morality, and the very meaning of life.*

*For forty years, singer and songwriter Bruce Cockburn has been writing beautifully evocative music. Bestselling author and respected theologian Brian Walsh has followed Cockburn's work for years and has written and spoken often on his art. In this creative theological and cultural engagement, Walsh reveals the imaginative depth and uncompromising honesty of the artist's Christian spirituality. Cockburn offers hope in the midst of doubt, struggle, failure, and anger; indeed, the sentiment of "kicking at the darkness" is at the heart of his spirituality. This book engages the rich imagery of Cockburn's lyrics as a catalyst for shaping and igniting a renewed Christian imagination.*

Her work is widely praised for bringing the Regency period to life and for the depth of her stories of true love.

"Who do you say that I am?" This question that Jesus asked of his disciples, so central to his mission, became equally central to the fledgling church. How would it respond to the Gnostics who answered by saying Jesus was less than fully human? How would it respond to the Arians who contended he was less than fully God? It was these challenges that ultimately provoked the Council of Nicaea in A.D. 325. In this volume covering the first half of the article in the Nicene Creed on God the Son, John Anthony McGuckin shows how it countered these two errant poles by equally stressing Jesus' authentic humanity (that is, his fleshliness and real embodiment in space and time) and his spiritual glory or full divinity. One cottage industry among some historical theologians, he notes, has been to live in a fever of conspiracy theory where orthodox oppressors dealt heavy-handedly with poor heretics. Or the picture is painted of ancient grassroots inclusivists being suppressed by establishment elites. The reality was far from such romantic notions. It was in fact the reverse. The church who denounced these errors did so in the name of a greater inclusivity based on common sense and common education. The debate was conducted generations before Christian bishops could ever call on the assistance of secular power to enforce their views. Establishing the creeds was not a reactionary movement of censorship but rather one concerned with the deepest aspects of quality control. Ultimately, what was and is at stake is not fussy dogmatism but the central gospel message of God's stooping "down in mercy to enter the life of his creatures and share their sorrows with them. He has lifted up the weak and the broken to himself, and he healed their pain by abolishing their alienation." The most thorough account yet available of a revolution that saw the first true agrarian reform in Central America, this book is also a penetrating analysis of the tragic destruction of that revolution. In no other Central American country was U.S. intervention so decisive and so ruinous, charges Piero Gleijeses. Yet he shows that the intervention can be blamed on no single "convenient villain." "Extensively researched and written with conviction and passion, this study analyzes the history and downfall of what seems in retrospect to have been Guatemala's best government, the short-lived regime of Jacobo Arbenz, overthrown in 1954, by a CIA-orchestrated coup."--Foreign Affairs "Piero Gleijeses offers a historical road map that may serve as a guide for future generations. . . . [Readers] will come away with an understanding of the foundation of a great historical tragedy."--Saul Landau, *The Progressive* "[Gleijeses's] academic rigor does not prevent him from creating an accessible, lucid, almost journalistic account

of an episode whose tragic consequences still reverberate."--Paul Kantz, Commonweal

Broken, Shattered & Healed is an inspirational story inspired by the personal struggles after years of abuse, alcohol dependency, abandonment, and depression. It is a journey of downward and upward spirals I faced and overcoming the obstacles and the journey it took to get back on the right path to pursue my purpose in life. It is by no means a self-help book but rather a testimonial of how God took a broken and shattered vessel and mended the pieces together and broke the chains of the past. This process ultimately led to my being set free from people and a torn past. This book is meant to inspire every woman who has a broken past to understand that life doesn't have to end because of what was. There is hope, and there is a future awaiting you. Nothing that you have done has to keep you where you are. There is healing, and God wants to restore you to your rightful place. You may have been broken, and your spirit may have been shattered. But God is waiting to restore all that was taken from you and move you into this life of hope and purpose. Be encouraged as you read these pages and find hope in knowing that there is life after the pain. Be restored in Jesus' Name, Amen.
