

Throy

Throy is volume three of the Cadwal Chronicles trilogy. Glawen Clattuc uncovers the conspirators who seek to destroy the unspoiled natural environment of planet Cadwal. Now, it's open war. Grandmaster Jack Vance brings a galaxy-spanning space-opera mystery to an explosive conclusion. - Matt Hughes Throy is Book III of the Cadwal trilogy, and Volume 57 of the Spatterlight Press Signature Series. Released in the centenary of the author's birth, this handsome new collection is based upon the prestigious Vance Integral Edition. Select volumes enjoy up-to-date maps, and many are graced with freshly-written forewords contributed by a distinguished group of authors. Each book bears a facsimile of the author's signature and a previously-unpublished photograph, chosen from family archives for the period the book was written. These unique features will be appreciated by all, from seasoned Vance collector to new reader sampling the spectrum of this author's influential work for the first time. - John Vance II

Trata-se de uma turma de crianças e adolescentes que se aventuram a descobrir o que há por traz de um muro. É uma ficção juvenil, recheada por aventuras e pitadas de críticas sócio-econômica e política, com passagens cômicas e trágicas que levam à reflexão. This sequel to "Araminta Station", features the character of Glawen Clattuc, who helped save the unique planet Cadwal. The charter that granted Cadwal conservation has disappeared - and Glawen and Wayness Tamm are sent across a variety of planets to try and retrieve it. Hume's Skeptical Crisis is a textual study of the shifts in perspective that unfold as Hume attempts to produce a complete science of human nature. In the process, Hume's standpoint shifts from buoyant optimism to profound skeptical melancholy and finally comes to rest at a stable form of mitigated skepticism.

Fantascienza - romanzo (334 pagine) - Dopo "Stazione Araminta" e "Ecce e la Vecchia Terra" ecco il romanzo conclusivo della trilogia di Cadwal. Cadwal: un pianeta tanto unico e splendido da essere stato affidato alla Società Naturalistica e protetto dalla colonizzazione. Mille anni dopo Glawen Clattuc, nuovo comandante di Stazione Araminta, ha ottenuto una nuova Carta per la conservazione del pianeta. Ma le sue avventure non sono ancora terminate, anzi il pianeta continua a essere scosso da tensioni senza precedenti. Come gli oceani che separano i tre continenti Ecce, Deucas e Throy, tra le fazioni in lotta ci sono differenze invalicabili: c'è chi spinge per tenere schiavi gli strani Yips e chi vuole riportare il pianeta alla sua condizione originaria. Tra questi c'è Glawen Clattuc, che deve anche scovare l'ultimo nascondiglio dei cospiratori fra i mondi dello Sciame di Mircea. Ma soprattutto ha una missione molto personale da compiere, un obiettivo che persegue da vent'anni e che ora forse è alla sua portata: scoprire chi ha ucciso sua madre. Jack Vance (1916-2013) è stato uno dei più grandi autori di fantascienza e fantasy, e certamente tra i più amati dal pubblico. Dopo una serie di lavori di ogni genere, durante la Seconda guerra mondiale si arruola nella marina mercantile e gira il mondo. In questo periodo comincia a scrivere il ciclo della Terra Morente. Tra gli Anni cinquanta e settanta viaggia, in Europa e nel resto del mondo, traendo da queste esperienze esotiche gli spunti per i suoi romanzi: Il pianeta gigante, I linguaggi di Pao, il ciclo di Durdane. Nella sua carriera ha scritto decine di romanzi di fantascienza, fantasy e gialli, per un totale di oltre sessanta libri; tra i titoli più famosi ricordiamo i cicli di Lyonesse, dei Principi demoni, di Alastor. Storie ricche di fascino, di personaggi indimenticabili, narrate con uno stile elegante e immaginifico. Delos Digital insieme in collaborazione Spatterlight si è data l'impegno di riportare sul mercato le opere di questo grande autore.

Bart Ehrman--the New York Times bestselling author of Misquoting Jesus and a recognized authority on the early Christian Church--and Zlatko Pleše here offer a groundbreaking, multi-lingual edition of the Apocryphal Gospels, one that breathes new life into the non-canonical texts that were once nearly lost to history. In The Apocryphal Gospels, Ehrman and Pleše present a rare compilation of over 40 ancient gospel texts and textual fragments that do not appear in the New Testament. This essential collection contains Gospels describing Jesus's infancy, ministry, Passion, and resurrection, as well as the most controversial manuscript discoveries of modern times, including the most significant Gospel discovered in the 20th century--the Gospel of Thomas--and the most recently discovered Gospel, the Gospel of Judas Iscariot. For the first time ever, these sacred manuscripts are featured in the original Greek, Latin, and Coptic languages, accompanied by fresh English translations that appear next to the original texts, allowing for easy line by line comparison. Also, each translation begins with a thoughtful examination of key historical, literary, and textual issues that places each Gospel in its proper context. The end result is a resource that enables anyone interested in Christianity or the early Church to understand--better than ever before--the deeper meanings of these apocryphal Gospels. The Apocryphal Gospels is much more than an annotated guide to the Gospels. Through its authoritative use of both native text and engaging, accurate translations, it provides an unprecedented look at early Christianity and the New Testament. This is an indispensable volume for any reader interested in church history, antiquity, ancient languages, or the Christian faith.

(Bass). As the legendary bassist for the famous Stax-Volt studios in Memphis, and as one of the most influential bass players in the history of American music, Donald "Duck" Dunn (1941-2012) laid down the booty-shaking foundations to countless soul, R&B, blues, and rock recordings throughout the 1960s and '70s, providing the essential grooves

for generations of listeners. Duck worked with some of the biggest artists, musicians, and songwriters of the day, including Booker T. & the MGs, Otis Redding, Sam & Dave, Wilson Pickett, Eddie Floyd, Elvis Presley, Isaac Hayes, and many more. And later, as a member of John Belushi and Dan Aykroyd's riotous Blues Brothers, Duck helped revitalize these genres via his epic bass lines and role in the hit movie. But his unparalleled 50-year career was just getting started. He went on to record and perform with the likes of Eric Clapton, Neil Young, Tom Petty, Stevie Nicks, CSNY, Bob Dylan, Jimmy Buffett, and many more, until his passing in 2012. Now, in this exclusive, one-of-a-kind book, Duck's life and music are presented in full detail, with rare photos, stories, over an hour of audio demonstrations and play-alongs, gear info, and authentic, note-for-note transcriptions of nearly 60 iconic bass lines. Written by bassist and researcher Nick Rosaci, with help from Duck's family, friends, and music compatriots, this book presents a piece of history that documents not only the triumphs and tragedies of Duck's amazing life, but also uncovers the magic behind the "soul fingers" that plucked a thousand timeless grooves.

"1977 is the Queen's jubilee year, well let's make it our year as well. Let's get out and do something. Chuck away the f••••g stupid safety-pins, think about people's ideas instead of their clothes. This "scene" is not just a thing to do in the evening. It's the only thing around that's honest..." Omnibus Press presents the definitive collection of Sniffin' Glue... And Other Rock 'n' Roll Habits, the most vital and cutting edge punk fanzine of its time. This book features both a digital recreation of every issue and all the original prints in their entirety. Danny Baker, who wrote for the original fanzine over four decades ago, provides a full-length interview on its impact. During its brief existence Sniffin' Glue... chronicled the birth, rise and demise of punk rock in the UK. Starting with a print run of a mere 50 copies, by Issue 3 the circulation was into the thousands. Interviews and reviews of all the key punk artists - The Damned, The Ramones, The Sex Pistols, Generation X, Chelsea, Blondie, The Jam, Iggy Pop and more - alongside news, editorials and gig reviews depict the grassroots punk scene from the inside. Its authentic voice made it a cult classic of its time and a much sought-after historical artefact to this day. On the 40th anniversary of the magazine's final publication, Omnibus Press are providing the definitive edition of Sniffin' Glue.... This is the best possible way to experience the counter-cultural revolution of the '70s that spread anarchy throughout the UK.

Wayness en Glawen zijn erin geslaagd om de plannen van hun tegenstanders te dwarsbomen, maar dat betekent niet dat het gevaar nu geweken is. De LVV'ers van Julian Bohost en Dame Clytie Vergence willen zich nog steeds een deel van het Reseruaat toe-eigenen om er als landadel met Yipse bedienden de plak te zwaaien. En Smonny, bijgestaan door haar voortvluchtige minnaar Namour, zint onverminderd op wraak en wil het liefst Station Araminta en al haar bewoners vernietigd zien. Wanneer Conservator Egon Tamm, vergezeld door Bodwyn Wook en zijn agenten van Bureau B, naar de Stromafjord op het zuidelijke continent Throy reist om er verregaande nieuwe maatregelen ten voordele van het natuurbehoud af te kondigen, krijgt het gezelschap lucht van een sinister complot. Glawen Clattuc en Eustace Chilke worden eropuit gestuurd om de bouw- en transportmagnaat Lewyn Barduys en diens enigmatische compagnon, de beeldschone Flitz, op te sporen en te achterhalen wat hun rol is in de plannen van Smonny en Dame Clytie. Het duurt niet lang voor de zaken een dramatische wending nemen... Throy is het derde boek in de trilogie De Kronieken van Cadwal en tevens deel 57 van Het Verzameld Werk van Jack Vance, uitgegeven door Spatterlight. Omslagillustratie: Luc Desmarchelier. De vertaling van Annemarie van Ewyck verscheen eerder bij Meulenhoff. De tekst van de Spatterlight editie is herzien en aangepast aan de hedendaagse spelling.

A dictionary-style guide to the science fiction worlds of Jack Vance. A souvenir of the worlds you have visited in the past! A planning guide for your next excursion off world! A handy survival manual for unexpected occasions! A reference work on the science fiction of award-winning Grand Master Jack Vance! A handbook!

Charles Reade (1814-1884) was an English novelist and dramatist, best known for "The Cloister and the Hearth," one of the most successful historical novels of his day.

Medical doctor George Cheyne, little known today, was among the most quoted men in eighteenth-century Britain. A 450-pound behemoth renowned for his Falstaffian appetites, he nevertheless advocated moderation to his neurotic clientele. Cheyne was an early admirer of Isaac Newton and a writer on mathematics and natural philosophy, yet he also linked science and mysticism in his writings. This inventor of the all-lettuce diet was both an author of learned tomes and, to his patients, a fellow sufferer who struggled with obesity and depression. Scientist and mystic, patient and healer, libertine and scholar, Cheyne embodies the contradictions and obsessions of the Age of Enlightenment. Anita Guerrini reconstructs the ideas, events, and interconnections in Cheyne's era and shows how Cheyne's life and work uniquely epitomize the transition between premodern and modern culture.

In the reaches of Mircea's Whips the convoluted plots and politics that have swirled around the House of Clattuc and the Conservancy of Cadwal are beginning to unravel. But what remains for Glawen Clattuc to discover could bring down a dozen powerful families on as many worlds. Throy concludes the Cadwal Chronicles, which began with Araminta Station and continued in Ecce and Old Earth.

NEW YORK TIMES bestselling author Neil Gaiman's transcendent series SANDMAN is often hailed as the definitive Vertigo title and one of the finest achievements in graphic storytelling. Gaiman created an unforgettable tale of the forces that exist beyond life and death by weaving ancient mythology, folklore and fairy tales with his own distinct narrative vision. In THE KINDLY ONES, distraught by the kidnapping and presumed death of her son, and believing Morpheus to be responsible, Lyta Hall calls the ancient wrath of the Furies down upon him. A former superheroine blames Morpheus for the death of her child and summons an ancient curse of vengeance against the Lord of Dream. The "kindly ones" enter his realm and force a sacrifice that will change the Dreaming forever. Collecting issues #57-69 of THE SANDMAN and "The Castle" story from VERTIGO JAM, THE KINDLY ONES features art by Marc Hempel, Richard Case, D'Israeli, Teddy Kristiansen, Glyn Dillon, Charles Vess, Dean Ormston and Kevin Nowlan.

Glawen Clattuc - seize ans, toute la témérité des Clattuc - entre comme stagiaire au Bureau des Enquêtes. Il sera fonctionnaire, mais uniquement s'il améliore son indice : sa mère était née hors planète, ce qui est un handicap pour sa promotion. Sur Cadwal, planète-réserve où la protection de la nature passe en priorité, on restreint le nombre de fonctionnaires et bien des cadets de famille tombent au rang ingrat de collatéraux. Glawen fait donc du zèle, il est de toutes les enquêtes. Mais où mènent-elles ? Aux autres enquêteurs (qui vendraient leur grand-mère pour devenir fonctionnaires) ; aux immigrés, les Yips, trop nombreux aussi, impatients d'occuper la réserve ; au mouvement Vie, Paix et Liberté qui les soutient, ce qui divise les maîtres de Cadwal. Trop de gens ont intérêt à brouiller les pistes. A la fin du premier volume des Chroniques de Cadwal, le lecteur avait laissé Glawen en proie aux plus grandes inquiétudes : son père, qui a été enlevé, est-il encore vie ? Wayness reviendra-t-elle de sa mission sur Terre ? Ce volume contient les deux derniers romans des Chroniques de Cadwal : Bonne vieille terre et Throy.

Jack Vance's stories have won the Hugo, Nebula, World Fantasy and Edgar awards, and he has been honored as a Grand Master of the genre. This book highlights some of his most famous quotes, passages and excerpts, all in his inimitable and distinctive style. The selections are organized into broad themes such as philosophy, love, religion, footnotes and prefaces, arguments and discussions, bargaining, advice, and even trivia questions! Relive your enjoyment of these wonderous works with the author as he recounts how and when he first encountered them during his Life in Science Fiction. "Is all this clear" "You speak with authority! I must accept your concepts." (Throy; VIII, 4)
